Joycelyn Schedler spent many afternoons as a young girl drawing in her Big Chief tablet under the live oaks of rural South Texas, USA. Thus began her interest in capturing the beauty of trees, animals, the sky, flowers, barns, fields and the many other objects of her world. Joycelyn primarily works in the medium of soft (dry) pastel.

Sharing her love of the pastel medium with others is a passion for Joycelyn. She leads mini-workshops and teaches an *Introduction to Pastels* class. By invitation, Joycelyn has been the Pastel Painting Instructor for A.R.T. at Mo Ranch Conference teaching beginner pastelists for five days. At the end of the week, her students proudly display their art in a student exhibit. She has also taught workshops for Lost Pines Art Center in Bastrop, Texas as well as private classes in her home.

Recognizing her excellent grasp of the pastel medium, the Pastel Society of America juried her in as an Associate Member in 2018. Joycelyn completed an art residency at International Art Residence Pro Vobis in Assisi, Italy where five of her paintings were accepted into the 3rd International Contemporary Art Exhibition at Palazzo FRANCHI.
