Annual Holiday Bazaar Guidelines
Lost Pines Art Center

The Holiday Bazaar is our annual giftable art collection, with a combination of floor/shelf displays in Expressions Gift Gallery on the main floor.
It will be up officially from **December 5th - January 16th**. (with a soft opening on November 7th during Bastrop Art Fest.) *The Art Center will be open through the season, except for Thanksgiving week.*
The Holiday Bazaar will be featured during **Art After Dark on December 5th**.

You must be a current Member of the Art Center to be part of the show. Not a member yet? Visit our Join and Support page for more info on joining. As a member, you can also display and sell work year-round in our gallery.

- Small, 2D art on tiny easel or craft items that fits on a shelf- ***no 2D wall art***.
- Artist Merch
- Holiday items, like ornaments, holiday-themed 3D items for a shelf, holiday or general art greeting cards
- Jewelry (we have a locked case for jewelry using precious metals or stones)
- Small, "giftable" items
- books, journals, calendars
- *We have an ornament display tree, and can hang some items on other structures.*

There will be a strict inventory of these items, separate from our other gift items. You can create your own label or price tag (must be legible and have your name or art name), or the Art Center can create the label.
The price is your choice, and the split is the same; **80%** of the sale goes to the artist.

Guidelines:

- Limit 6-8 pieces per artist, depending on space and size of items. Greeting cards, tiny items, etc. can be more, space permitting.
- **There is no fee for the show since its duration is shorter than usual. But only current Members may submit!**
- *You may replace sold items at any time during the Bazaar show.*
- If your items have been in Expressions for the past year, we will ask you to change out your inventory.

Fun Fact! Small items are selling very well overall these days (and in other galleries), so if that is something you like to do, we recommend it!
